

April Happenings

Dr. Seuss week was a total success and the children really enjoyed it. We started the week off by mixed up Monday. They did a fabulous job wearing their clothes inside out, backwards, not matching and different hair do's. During circle time they read Bartholomew and the Oobleck and made Oobleck in Science class. On Tuesday we saw some pretty cool hats. During circle time the class enjoyed hearing the story One fish Two fish Red fish Blue fish and learning math facts and counting with One fish Two fish Red fish Blue fish. They ate rainbow goldfish and graphed the different colors. They made predictions on which color would have the most goldfish. On Wacky Wednesday there were some pretty interesting socks. They read The Foot Book and counted all their friends' feet to make a total of 32 friends' feet. Theodore Thursday was The Cat in The Hat Day and dress as your favorite Character. We had such cute characters! We made The Cat in the Hat masks. The Lorax, One fish Two fish Red fish Blue fish, The Cat in The Hat, Thing One and Thing Two and Thing Three just to name few. The class ended the week with Green Eggs and Ham and ate Green donuts. We also played Dr. Seuss bingo, Dr. Seuss memory Match, and we fished for One fish Two fish Red fish Blue fish with our homemade magnetic fishing poles.

Plans for this month...

The primary class will enjoy some springtime activities: raising caterpillars, butterfly release celebration, Egg decorating and scavenger egg hunt.

Maria Montessori:

"Early childhood education is the key to the betterment of society."
